The following syllabus is a guideline and is subject to change at any time, therefore it is recommended you attend all classes so you may be apprised of any modifications.

Grading:

Exams (100 points each)	500
Group Presentation	200
Participation, Attendance and Pop Quizzes	<u>200*</u>
Total	900

*The attendance and quizzes will be weighted to 100 points at the end of the semester.

PARTICIPATION, ATTENDANCE AND POP QUIZZES: Attendance will be taken on a regular basis and pop quizzes may also be given randomly. The grades for those quizzes will be included with your attendance points.

EXAMS: Exams cover material from the text book and will be given according to the syllabus. There will be NO make-up exams except in the case of emergencies

or school approved activities. I must be notified in advance if at all possible and will make the determination as to whether or not a make-up test will be allowed.

GROUP PRESENTATION: Each group (or individual person) will present an entrepreneurial issue. More on this topic will be discussed in class.

EXTRA CREDIT: THERE WILL BE NO EXTRA CREDIT WORK THAT CAN BE DONE TO IMPROVE YOUR GRADE. It is unfair for extra credit to be given for some and not allowed for all. Please do not ask for extra points at the end of the semester.

COMMUNICATION: Blackboard will be the primary way of communication with this class, so please check it regularly to be advised of any changes to the syllabus or updates for the class.

CHEATING: Any cheating will result in an automatic "F" for this class, and you will be disciplined in accordance with the University guidelines.
